

YAMAM HAMED ALKHAMESI

SOFTWARE ENGINEERING STUDENT

Jeddah, Saudi Arabia | yalkhamesi2@gmail.com | <https://yma2929.github.io/Portfolio/>

SUMMARY

As a passionate software engineering student driven by the goal of applying learned skills in real-world, I strive to create innovative solutions that can benefit my country and contribute to valuable projects that strengthen my knowledge. I genuinely enjoy volunteering and helping people as I wish that I can give back to my community.

EDUCATION

University of Jeddah

Bachelor of Science in Software Engineering

2024-PRESENT

GPA:4.97

WORK EXPERIENCE
